

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

A further consolidation of power, concentrating control over information by a few! I strongly oppose loosening current restrictions on cable ownership and broadcast news/newspaper cross ownerships.
